Manufacturers of Disposable Paper Products

As Ireland's largest paper manufacturer, we are in a unique position to deliver what is important to our customers – **Capability, Reliability and Affordability.**

CAPABILITY

Newcel Paper have been manufacturing and supplying 'Away From Home' (AFH) paper disposables to professional distributors for over 45 years.

We have an 80,000 sq ft plant, four robotic production lines, operate 24 hours a day and manufacture over 2000 pallets of paper products per week.

We employ over 50 specially trained and highly skilled people, the majority of whom have been with us for more than 20 years.

**If you need 1 pallet, 1 load or more -
Newcel have the Capability.**

RELIABILITY

Our four production lines are covered by an extensive 'preventative maintenance programme' which minimises downtime and maximises productivity.

We continually invest in the fastest and most efficient robotic machinery to ensure that we have **the additional capacity to fuel your sales growth.**

We hold enormous stocks of raw materials guaranteeing a consistent, uninterrupted supply of your paper disposable products.

**4 lines x 24 hours x 45 years =
Newcel Reliability.**

AFFORDABILITY

Our purchasing department negotiates 'lowest price - long term' supply agreements with quality audited paper mills worldwide.

We implement 'Lean Manufacturing' practices - maximising production efficiency and driving down costs.

These principles shape our business model ensuring that we offer the very lowest prices to independent owner-managed distributors and large multi-nationals alike.

**Have a chat with Newcel today –
you'll be amazed by our prices.**

FOOD SAFE

All blue centrefeed rolls manufactured by Newcel Paper are made from certified FoodSafe paper and FoodSafe dyes.

Disposable paper products used in the foodservice sector and the food manufacturing industry must comply with European Community Regulation No.1935/2004.

“Food businesses should ensure that paper products that may come into contact with food during production and preparation, meets the requirements of the food contact materials legislation, including the composition of dyes that may have been used in their manufacture”
Food Safety Authority of Ireland (FSAI)

QC CENTRE OF EXCELLENCE

Our industry leading ‘QC Centre of Excellence’ suite is staffed by 4 professionals with over 60 years of experience in the paper, hygiene and foodservice industries.

This facility guarantees that our products consistently meet and exceed your exacting standards and ensures that we continue to deliver an unrivalled customer experience every time.

All procedures within Newcel Paper are approved to internationally recognisable accreditation’s including ISO 9001:2015.

We are full members of the CHSA who audit our products to ensure that they comply with comprehensive industry codes of practice.

OWN BRANDING

Over the past 45 years, we have quietly but steadily transformed from a local operator into the go to **Own Brand Paper Supplier of Choice** in Ireland and the UK.

We now supply over 60% of the leading brand owners with product in the hygiene and food service sectors.

Our ability to understand your business and the challenges you face, plays a pivotal role in our ability to win your trust and your custom. As your own brand partner, we will work tirelessly to help you grow your share of the market.
